May 10, 2018

Dear industry professionals,

I want to take the opportunity to introduce you to an organization that we are a proud supporter of. Construction Angels is a 501(c)3 Non-Profit charity that provides immediate financial assistance to surviving children and spouses left behind to pick up the pieces after a construction worker has lost their life while working on a jobsite. Funds raised will assist the families of construction workers throughout the entire state of Georgia! Construction Angels' also provides grief counseling through Affiliate programs, to the families and construction workers that are having a hard time dealing with the tragedy. It is our responsibility as contractors to provide proper training and equipment to help avoid accidents but sometimes they are out of our control. When an accident occurs and a family is left without a loved one, Construction Angels is ready to step in and help where necessary.

Carroll and Carroll has annually helped sponsor benefits related to raising money for this organization. Not only are these benefits a lot of fun but they are for a great cause. Please entertain the idea of making a donation to Construction Angels or becoming a sponsor during the next local event.

Below is the contact information for the Founder and Executive Director of Georgia if you would like more information on how to participate in the future.

- Kristi Ronyak-Construction Angels CEO & Founder kristi.ronyak@constructionangels.us
- Jennifer Lee McCloskey - Executive Director of Georgia jennifer.mccloskey@constructionangels.us
