Construction Angels Employee Payroll Deduction Program

Dear Employer and Employee,

Construction Angels is looking for your support in 2019 to help our charity promote our Construction Angels Employee Payroll Deduction Program. This program will help our charity continue to support the children and spouse of 'One of our Own' when a construction worker suffers a fatality on the jobsite. Many times, these families are left alone to pick up the pieces when the head of household is no longer there to provide for the family. We are asking that you share with your employees our Construction Angels Employee Payroll Deduction Program. For as little as \$1/week from an employee's paycheck we guarantee that if a construction worker suffers a fatality on the job site, our industry's charity will be there to provide \$5,000 and grief counseling to the child(ren)/spouse during their time of need.

As an employee of the company, you can be reassured you are donating to a charity that is specific to our construction industry and the donations are tax-deductible, and your families and friends will be in good hands should a tragedy occur.

Instructions:

- Use this form to file for deductions from your payroll.
- Please print in ink and give a copy of this form to your Employer.
- Your deductions will be automatic every pay period.
- Visit www.constructionangels.us for more information about this charity.
- Below, you can see the gift calculator, and can stop automatic deductions at anytime.

Employee Authorization & Signature

I understand that I am under no obligation to contribute to the Construction Angels charity. If I decide to contribute to Construction Angels by authorizing deductions from my pay to be forwarded to Construction Angels, it is a decision I make voluntarily. I understand that the amount I authorize to be deducted will be subtracted from my pay for any pay period in 2018-2019 in which my pay is large enough to cover the deduction. If there is a pay period in which my pay is insufficient to cover the Construction Angels deduction after all legally required deductions are made, my employer will not make a Construction Angels deduction for that pay period. If a Construction Angels deduction is missed for any reason, it will not be made up on a later date without my express written direction. I understand that I may revoke my Construction Angels deduction authorization at any time by informing my employer in writing, and that my revocation will be effective within four pay periods or eight weeks, whichever is sooner.
