EQUIPMENT

## ANNUAL *Golf Classic*

Dear Friends, first and foremost thank you to all who supported Construction Angels at the Inaugural Dobbs Equipment Golf Classic. It was only through your generous donations that we were able to contribute over \$140,000 for such a tremendous cause!! A sincere thank you from our entire Dobbs Equipment team!

Construction Angels mission is unique among charities, as they provide immediate financial assistance and grief counseling to the children and spouses left behind when a construction worker has a fatality on the job site. This provides long lasting impact to families in our industry dealing with tragic losses. Construction Angels also provides academic scholarships to qualified applicants and to surviving children of fallen workers.

Today we are announcing the second Annual Dobbs Equipment Golf Classic and ask you to consider partnering with us once again to give back to something larger than ourselves. Your partnership and support is greatly appreciated.

Please sign-up today at [www.dobbsequipment.com/golf](http://www.dobbsequipment.com/golf)
