

MISSION

Our MISSION is to provide immediate financial assistance and grief counseling to the children and spouse left behind when a construction worker has a fatality on the job site. We offer construction scholarship opportunities to qualified applicants, and additional scholarships to surviving children of a fallen worker.

VISION

Our VISION is to be the immediate source of support to construction families when the unthinkable happens. We believe in the importance of promoting family values, job site safety awareness, continued education and the constant support of 'ONE OF OUR OWN'!

OUR TEAM
