PO Box 1399
Little Rock, AR 72203-1399

Dear Friends and Associates,

April 23, 2025

I'm Hannah Garison and I am the Executive Support Manager at Riggs CAT; I'm also NAWIC LR Chapter Board of Director and soon to be the Vice Chair of Women of Asphalt.

I am reaching out to you on behalf of Construction Angels, a non – profit organization that provides immediate financial assistance and grief counseling to children (19 years and younger) and spouse left behind when a construction worker is involved in an accidental work-related fatality. Not only do they offer financial assistance, but they also offer scholarship opportunities to qualified applicants, and additional scholarships to surviving children of a fallen worker nationwide. They are an incredible organization, and you can read all about them here at their website <https://www.constructionangels.us/> and Facebook <https://www.facebook.com/ConstructionAngels/>.

As a wife to a construction worker and having worked in the construction industry for 16+ years, I have a huge desire to do more, to advocate for our construction community promoting the trades and the culture we have created here in our home state.

I am seeking out sponsorship partners to support Construction Angels in Arkansas and when I say that I mean all the funds for state level sponsors stay in Arkansas and go to Arkansans. You can see a list of national and state sponsors here <https://www.constructionangels.us/sponsors/> . Construction Angels are currently fundraising in 32 states and hope to be in all 50 states by 2030. Riggs CAT has pledged to be a Silver Sponsor and registered agent for the state of Arkansas. I'm sad to say the state level support has been lacking in Arkansas and it's time we step up! Since 2022 Construction Angels has generously supported 6 Arkansas families. Those funds came from national fundraising efforts and sponsors since Arkansas did not have the funds available. When I heard this, I knew I had to make it my mission to recruit State Level Sponsors and strongly believe Arkansans should be supporting Arkansans. Given Riggs CAT commitment, I believe this partnership would be a great opportunity to make a meaningful impact together.

By Sponsoring Construction Angels, your company or association would not only contribute to a worthy cause but also gain visibility among our community and supporters. There are several sponsorship tiers to choose from and you will see that by sponsoring your employees' children seeking continued education in the construction industry or trade school can apply for the Construction Angel Scholarship program. I would love the opportunity to discuss how we can collaborate and/or arrange a meeting at your convenience with Kristi Ronyak the CEO of Construction Angels. Please find attached information about Construction Angels and sponsorship opportunities or click here <https://www.constructionangels.us/state-sponsorship/> to become a state sponsor.

Thank you for your time and consideration. I look forward to the possibility of us working together on this mission to create a positive impact. Please feel free to contact me to discuss this further.

Sincerely,

Hannah Garison
Executive Support Manager
